## Cocktails

@vanillaoakleigh we created 21 cocktails inspired to represent the classic flavours and stories of the nations that lie on the coastline of the Mediterranean Sea. We share with you the following popular favourites;

<b>ALBANIA</b> Berry Sweet <i>Mocktail of mixed berries with crushed ice topped with mint, lemonade</i>	13.5
--	------

An incredible place called “Snake Mountain” or “Gjarpër” is home to some of Europe’s most venomous snakes. But if you are brave enough to tour there, you may even be invited into a shepherd’s home for some amazing blueberries that have grown there for centuries.

<b>BOSNIA &amp; HERZEGOVINA</b> Strawberry Fields <i>Téquila, Cointreau, strawberries, orange fields and a sugar rim</i>	22
---	----

Eight strawberries contain more Vitamin C than a medium sized orange. They are the only fruit with their seeds on the outside of their skin and in this country, berry picking is a very popular family weekend activity for city residents and an every day task for villagers.

<b>EGYPT</b> Drink like an Egyptian <i>Vodka, melon liqueur, watermelon purée, lemon juice</i>	22.5
---	------

It is said that the Egyptians were the first to discover and cultivate the watermelon over 5000 years ago. They decided to share it with the rest of the world in the 10th Century AD. And we are so glad they did, as nothing is more refreshing on a hot day than some cold watermelon.

<b>GREECE</b> Mastiha Mojito <i>Skinos mastiha, sugar syrup, mint, lemon, topped with soda</i>	21
---	----

Mastiha is a resin that is obtained from the mastic trees on the Greek island of Chios. Also known as the ‘tears of Chios’ this resin is not only unique in taste but also expensive to produce. Imitations are made all the time but none come close to the special cedar flavour of the original Pistacia Lentiscus.

<b>ITALY</b> Lemonbello <i>Limoncello, gin, fresh lemon juice, soda, lemon sorbet</i>	22
--	----

Drink it in the morning, drink it in the evening, drink this beautiful bitter blessing anytime. Lemons are one of our body’s greatest weapons against all ailments. Genoa, Italy was the first place in Europe to start cultivating lemons in the 1400’s. And since then, Italy’s reputation for delicious varieties has ensured that they are one of the leading exporters of lemons in the world.

<b>LIBYA</b> Across the border <i>Espresso, vodka, Khalua, Tia Maria (Espresso Martini)</i>	22
--	----

Libyans appreciate espresso coffee and a good drop just like the Italians, but in 1969 alcohol was banned in Libya. According to some this hasn’t stopped Libyans from crossing the borders in carloads to enjoy a drink in Tunisia or Egypt.
